

Consulting rooms now available - O'Brien Street Practice

Located in the Adelaide central business district, O'Brien Street Practice is a well-established practice providing multidisciplinary services including general practice, nursing, and consulting medical and allied health specialists.

Existing practitioners have a special interest in providing exemplary and confidential care to patients with human immunodeficiency virus (HIV) (including primary care, pre-exposure prophylaxis (PrEP) and post-exposure prophylaxis (PEP)), Hepatitis B and Hepatitis C and sexual health services.

O'Brien Street Practice is governed by the Central Adelaide Local Health Network (CALHN) and therefore benefits from excellent connections to other care partners. The practice is a recognised training site for the Australasian Chapter of Sexual Health Medicine. There is an opportunity to obtain s100 prescribing rights for HIV and Hepatitis B with mentoring from CALHN and other O'Brien Street Practice clinicians.

Tenants benefit from the following valuable features:

- Fully serviced consulting rooms
- Treatment/procedure rooms
- Professional, experienced reception staff
- Access friendly premises located in close proximity to pathology, allied health, and imaging services
- Multidisciplinary model of care with a commitment to cross referral and coordinated patient care
- On-site parking and excellent public transport options
- Staff room with fully equipped kitchen
- Duress and medical emergency alert systems in all consulting rooms and treatment areas
- Integrated technologies which support optimal face to face and virtual care delivery options

Services available:

- Reception services
- Nursing support services
- Fax, scanner, printer and copy services
- Wi-Fi access
- Electronic medical records
- Ongoing professional training and support through CALHNs world-class training and education programs
